

Dear Christian and Clas,

On behalf of all EFFAT affiliates, I would once again like to express our full support and solidarity with Fellesforbundet and its members in the hospitality industry for the great demonstration of unity and determination you are showing through the ongoing strike.

It is truly inspiring, also beyond Norway and across Europe.

We have been regularly in touch with Jens-Petter, who has been keeping us updated, and we have already shared information about your action on our social media channels.

As you know, last week we issued a joint solidarity statement with the IUF during the IUF Executive Committee meeting. We will also report on your strike in our upcoming newsletter, which will be circulated in the coming days.

If there is anything else you believe we can do to support Fellesforbundet at this moment, we are happy to help.

I would also like to inform you that I will be visiting NNN from 9 to 11 September (we will travel to the coast to see some fish processing facilities). I would be glad to take advantage of the visit to meet with you as well, for example on 8 September in the afternoon/evening or on 9 September in the morning.

Let me know if this is feasible.

Wishing you success.

Enrico
