Fellesforbundet, Norge

Dear Sisters and brothers in Norway,

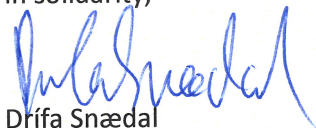

On behalf of SGS (Federation of General and Special workers in Iceland), representing about 50.000 workers in the private sector in Iceland, we offer our solidarity and support for your struggle. Workers within tourism sector is a rising part of our members.

The demand for higher wages in the tourism sector is fair and relevant to the sector everywhere.

We fully support you and the workers you represent in your fight for fair wage and conditions.

We stand with you in this struggle,

In solidarity,

Drífa Snædal

General secretary

Starfsgreinasamband Íslands (SGS)

About SGS

Starfsgreinasamband Íslands (SGS) - Federation of General and Special workers in Iceland, is a federation of trade unions in the private sector and part of the public sector. SGS promotes and works for the improvement of wages and rights of employees, safeguards the interests of employees towards employers and the authorities and provides various services to its trade unions and individual members.
