Minimum wage by law

The minimum pay for workers in hotels, restaurants and catering are increased to **204,79** Kr per hour from June 15th 2025. Fellesforbundet has renegotiated the tariff of the collective agreement and it is now mandatory for all companies in the sector. If any employer pays less than 204,79 Kr to employees over the age of 20, or 18 with 4 months experience, the employer breaks the law!
