Class oriented - uniting - democratic - modern – independent – internationalist!

The WFTU supports the just demands of the Norwegian workers in Tourism Sector

The World Federation of Trade Unions representing 92 million workers in 126 countries of the world supports the workers in Hotels and Restaurants who decided to go on strike today April 24th.

They demand the raises in their salaries applied in the contract signed by the Federation and the employers of the sector. The employers are refusing to apply the sectoral contract they have already agreed.

The last years the profits of the Hotels and Restaurants are very high, but in contrast the workers in the sector are lowly-paid. We call all the Norwegian workers to support their colleagues and strengthen the lines of the class oriented trade union movement.
